His son was put on steroids and medicines since that time which were expensive. In the year 2008 he had undergone kidney transplantation at M/s.Hyderabad Kidney and Laparoscopic Centre, Malakpet, Hyderabad. His wife had donated kidney to his son and the doctors told that he has to take medicines such as Cellcept and Certican and other medicine for life long. The cost of medicine is around 15,000/- per month. Since 2008 he was claiming medical reimbursement towards the medical treatment. The Nephrologist at M/s. Hyderabad Kidney Centre, Malakpet, Hyderabad declared that his transplanted kidney is also under failure and the case is referred to NIMS, Hyderabad for treatment for kidney failure.
